## SCHEDULE OF COURSES – April 2025

### K-9 Behavior & Obedience Training

#### **BASIC PUPPY MANNERS/OBEDIENCE (& INTRO TO WATER SKILLS)** - Six (6) Week Course/Cost: \$200

To ensure the safety and well-being of all participants, we require that your puppy has Up-to-date vaccinations (commensurate with age) and has tested negative for Fecal and Giardia. This course is suitable for puppies aged 12 weeks to 6 months.

- **Wednesdays:** *April 23, 2025 – May 28, 2025, at 6:00 p.m.*
- **Saturdays:** *April 26, 2025 – May 31, 2025, at 11:30 a.m.*

#### **INTERMEDIATE PUPPY/YOUNG DOG OBEDIENCE (& SWIMMING)** - Six (6) Week Course/Cost: \$200

*Prerequisite: Up-to-date Vaccinations (commensurate with age) - Negative Fecal & Negative Giardia Results - Pups 4 months to 10 months of age - Puppy manners/obedience class graduate (or comparable skill level) and MUST have reasonably good responses to down, sit, stay (minimum 1 minute), leave it, and walk on a loose lead.*

- **Wednesdays:** *April 23, 2025 – May 28, 2025, at 7:30 p.m.*
- **Saturdays:** *April 26, 2025 – May 31, 2025, at 10:00 a.m.*

#### **BASIC/NOVICE OBEDIENCE** - Six (6) Week Course/Cost: \$200

Prerequisite: Up-to-date vaccinations, negative fecal float, and no previous training required. The dog should be at least six months of age.

- **Saturdays:** *April 26, 2025 – May 31, 2025, at 8:30 a.m.*

#### **ADVANCED OBEDIENCE** – Six (6) Week Course/Cost: \$225

*(We offer AKC CGC Certifications if teams are interested, but this is NOT a mandated objective)*

Teaching canines basic and intermediate obedience is the perfect beginning to his education. Still, more advanced training will improve his skills so owners can do even more with their canine companions! During this course, obedience commands and techniques are reviewed and perfected (i.e., recalls, sit/down/stays at a distance, polish heeling, etc.) all while mastering the 3 "D's" - distraction, distance & duration - all while taking training to the streets, literally!

*Prerequisite: Up-to-date Vaccinations/Negative Fecal Float – K-9s should be ten months of age or older – K-9s should have good responses to down, sit, stay, recall/come, & heel – K-9s MUST be mature & safe around other K-9s & people!*

***Please be advised that classes are held in public places that can be distracting (at times, crowded), such as shopping areas, busy street sidewalks, parks, etc.***

- **Thursdays:** *April 24, 2025 – May 29, 2025, at 6:00 p.m.*

## K-9 Activities & Sports Training

### SWIMMING/DOCK-DIVING - Five (5) Week Course/Cost: \$200

Many people assume dogs are natural swimmers, but that isn't the case. Some breeds are taken to the water, but even specific water breeds can drown accidentally, so many could benefit from swimming or safety lessons. It is suitable for your canine companion and is great fun, too! *Prerequisite: Up-to-date Vaccinations, Negative Fecal & Negative Giardia Test – No previous training required*

- **Mondays: April 14, 2025, 5:00 p.m. Beginners**
- **Mondays: April 14, 2025, 6:15 p.m. Basic Dock-Diving**
- **Mondays: April 14, 2025, 7:30 p.m. Intermediate/ Advanced Dock-Diving**

We value your feedback and believe that your active participation is key to the success of our training sessions. **You Spoke; We Listened!**  
We are happy to announce that Teamwork is added to the schedule.

### TEAMWORK - Six (6) Week Course/1.5 Hours/Cost: \$225

*Prerequisite: Up-to-date Vaccinations/Negative Fecal Float – K-9s should be ten months or older – K-9s MUST be mature & safe around other K-9s & people!*

- **Thursdays: June 05, 2025 – July 10, 2025, 6:00 p.m. – 7:30 p.m.**

Teamwork sessions involve a combination of physical and mental exercises through agility & swimming, as well as dock-diving, that challenge both the dog and handler. The obstacles in agility courses can include jumps, tunnels, weave poles, and more. Swimming and Dock Diving provide excellent workouts for dogs, helping them build confidence, strength, and endurance through jumping and swimming. Cross-training is as fun for the canine as it is for humans while improving communication skills, endurance, strength, and flexibility. This type of training requires high teamwork, communication, and trust between the dog and the handler, and above all, it's a blast! And YOU get to decide what to work on during your "session sets" by focusing on YOUR training goals.

#### **This Program Includes/Combine:**

- Pool Workouts
- Strength Training
- Agility
- Groundwork
- Camaraderie/Teambuilding

**All while working and playing together!**

*Prerequisite: Up-to-date Vaccinations/Negative Fecal Float – K-9s should be ten months of age or older – K-9s should have good responses to down, sit, stay, recall/come, & heel – K-9s MUST be mature & safe around other K-9s & people!*
